

## REFERENCE LETTER M/Y PEPE TANTI

To whom it may concern,

I am pleased, as the Captain of the M/Y Pepe Tanti, to provide this letter of reference for Arthur Présent Artigues, who served as a Deckhand on board a 24-metre Mondomarine Navetta, from August to October 2025.

During this period, Arthur was a fully integrated member of the deck team on a private cruising program operating across the Western Mediterranean. The vessel completed coastal navigations between Marseille and Saint-Tropez, followed by an extended Mediterranean passage to Corsica, Sardinia, and onward to Tunisia.

Arthur was involved in all core deck and navigation-related duties, including deck maintenance and wash-downs, watchkeeping, line handling, and general seamanship tasks. He also stood night watches during passages through busy and traffic-dense areas, demonstrating good situational awareness, discipline, and reliability on watch.

He interacted in different languages confidently and professionally with guests greatly contributing to service and their wellbeing onboard. Arthur also assisted effectively during docking and mooring manoeuvres, communicated via VHF with other vessels and port authorities, and demonstrated strong tender driving skills. Arthur further proved adaptable and helpful during a short maintenance period while the vessel was out of the water, contributing positively to upkeep tasks and preparations.

Throughout the program, Arthur consistently showed himself to be calm, safety-conscious, and dependable, adapting well to varying sea states and operational demands while maintaining a professional attitude at all times. He followed instructions precisely, showed initiative when appropriate, and demonstrated a genuine willingness to learn and progress.

Arthur proved himself to be a trustworthy, motivated, and versatile deckhand, capable of contributing effectively during both coastal cruising and longer offshore passages. I would not hesitate to recommend him for deckhand, tender driver, or further deck progression roles within the yachting industry.

Should you require any further information, please do not hesitate to contact me.

Yours sincerely,

Ahmed Slama
