

To whom it may concern,

I am pleased to provide this letter of reference for Arthur Présent Artigues, who worked with Europboat from June to August 2025 as part of our seasonal operations. During this period, Arthur was actively involved in on-water guest-facing operations, supporting the daily running of our high-end charter services. He served as Skipper / Captain on luxury high-powered RIBs up to 12 meters and Cayman M/Y up to 19 meters, operating primarily in the Gulf of Saint-Tropez, with missions extending to Cannes and Marseille.

Arthur handled all aspects of vessel operation with a strong focus on safety, professionalism, and guest comfort, including guest transfers to Pampelonne beach clubs, yacht embarkation and disembarkation as well as Watersport activities and drop-offs in the busy Port of St. Tropez. Throughout his time with us, Arthur demonstrated excellent seamanship awareness, strong safety consciousness, and reliability, even during busy peak-season operations.

He was comfortable interacting with an international clientele and showed a natural ability to adapt to different guest expectations, weather conditions, and operational constraints. His calm approach and service-oriented mindset consistently resulted in very positive guest feedback.

What particularly stood out was his sense of responsibility, discretion, and high service standards, combined with strong communication skills in multiple languages (fluent in French, German and English). He integrated easily into the team, followed instructions precisely, and was proactive in anticipating both operational and guest-related needs.

He took excellent care of our vessels, operating, handling, and docking them with a high level of precision, and ensuring they were properly cleaned and maintained at the end of each operation. His respect for the boats and attention to detail were evident throughout the season.

Arthur operated in varying and sometimes challenging weather conditions, consistently demonstrating judgement, composure, and a strong sense of responsibility, ensuring the safety and comfort of guests at all times.

Arthur proved himself to be a trustworthy, motivated, and versatile team member, capable of working long hours in demanding conditions while maintaining a consistently professional and positive attitude. I have no hesitation in recommending him for skipper, deckhand, tender driver, guest operations, or watersports-related roles within the yachting industry.

Should you require any further information, please do not hesitate to contact me.

Yours sincerely,
